

POLICY FOR THE USE OF CCTV AND OTHER SYSTEMS

1. Introduction

1.1 This policy explains the purpose, use, and management of the CCTV installations and other surveillance systems at the University of Worcester.

1.2 The purposes of the CCTV installations are:

- to promote a safe community environment;
- the protection of staff, students, visitors, and the assets of the University;
- the prevention, investigation and detection of crime and disciplinary offences in accordance with the University disciplinary procedures;
- the apprehension and prosecution of offenders (including the use of images/data as evidence in criminal / civil proceedings);
- to monitor security of University buildings and areas;
- to assist in traffic management and parking enforcement.

1.3 The CCTV system will not be used:

- To provide recorded images for the internet;
- To record sound.

1.4 The principles of the policy are:

- that individuals' rights are respected and protected;
- that the installations are operated fairly and within the law;
- that the CCTV system is operated for the purposes for which it was set up;
- that the recorded material/data stored is fairly and lawfully processed;
- that recorded material/data is adequate, relevant and not excessive for the purposes;
- that recorded material/data is accurate, securely stored, and not kept for longer than is necessary.

1.5 This policy and its operations will be subject to regular reviews and audits, no less than every two years.

2. CCTV System overview and definitions

2.1 The CCTV system includes approximately 220 cameras over three Sites:

- St Johns Campus
- Riverside Campus
- City Campus.

2.2 Cameras are located in various areas around these campuses including: -

- Car Parks, roadways, footpaths and other external areas
- Building and site entrance exits
- Academic buildings

- Service buildings
- Bars & retail areas
- The Students Union
- Residences

2.3 There are several types of camera –

- Overt fixed – these record uncontrolled images e.g. reception desk, doors etc.
- Overt Pan, Tilt, Zoom (PTZ) – these are controllable cameras that can follow vehicles or subjects when required.
- Body worn – used by security staff on patrol when dealing with drunkenness, violence and anti- social behaviour
- Vehicle installed cameras used for driver safety

For the purposes of this Policy all of the above are referred to as “CCTV”

2.4 The CCTV installations comprise all fixed cameras, signs, recording and playing equipment, information, material, data, and any ancillary equipment required for the operation of the installations (e.g. cabling, printers, power supplies).

2.5 Recorded material/data means any material recorded by the installations, either in digital or analogue form on CD, PC computer system hard drive, hard copy print, or any document copy. The recorded material/data are the property of the University of Worcester

2.6 The systems will be operated 24 hours per day, 365 days of the year by trained SIA (Security Industry Authority) licenced University Staff

3. CCTV Owners

3.1 The CCTV surveillance system is owned by the University of Worcester.

3.2 The Director of Estates & Facilities is the responsible person for the management and operation of the system, with nominated individuals given authority to manage the day-to-day operations and ensure strict compliance with this policy.

4. Legal Compliance

4.1 The University's CCTV installations will be operated in accordance with applicable legislation including the Data Protection Act 1998 (DPA) and the General Data Protection Regulation (GDPR).

4.2 For the purposes of data protection legislation the University of Worcester is the Data Controller. The University's Data Protection Officer is the Head of Information Assurance (infoassurance@worc.ac.uk)

4.3 The University has chosen to adopt the SIA licensing requirements.
