

Installing SPSS

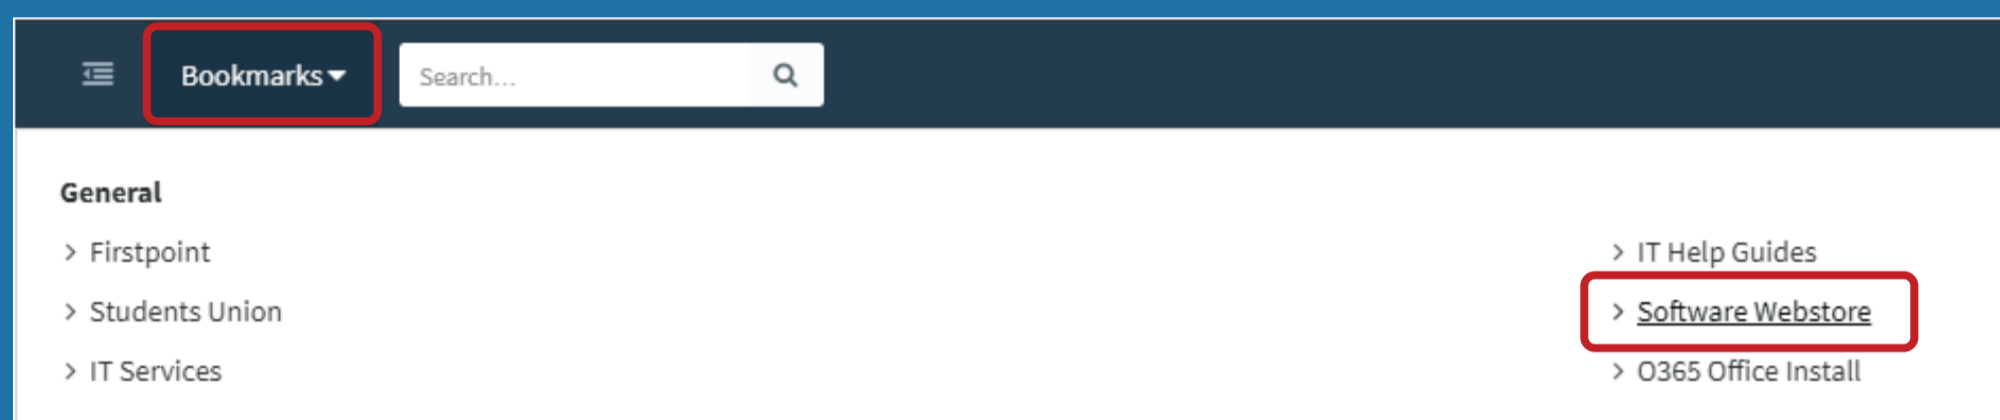

As a member of the University of Worcester you can download and install SPSS onto your personal computer. It is available for Windows and MacOS.

How to download SPSS

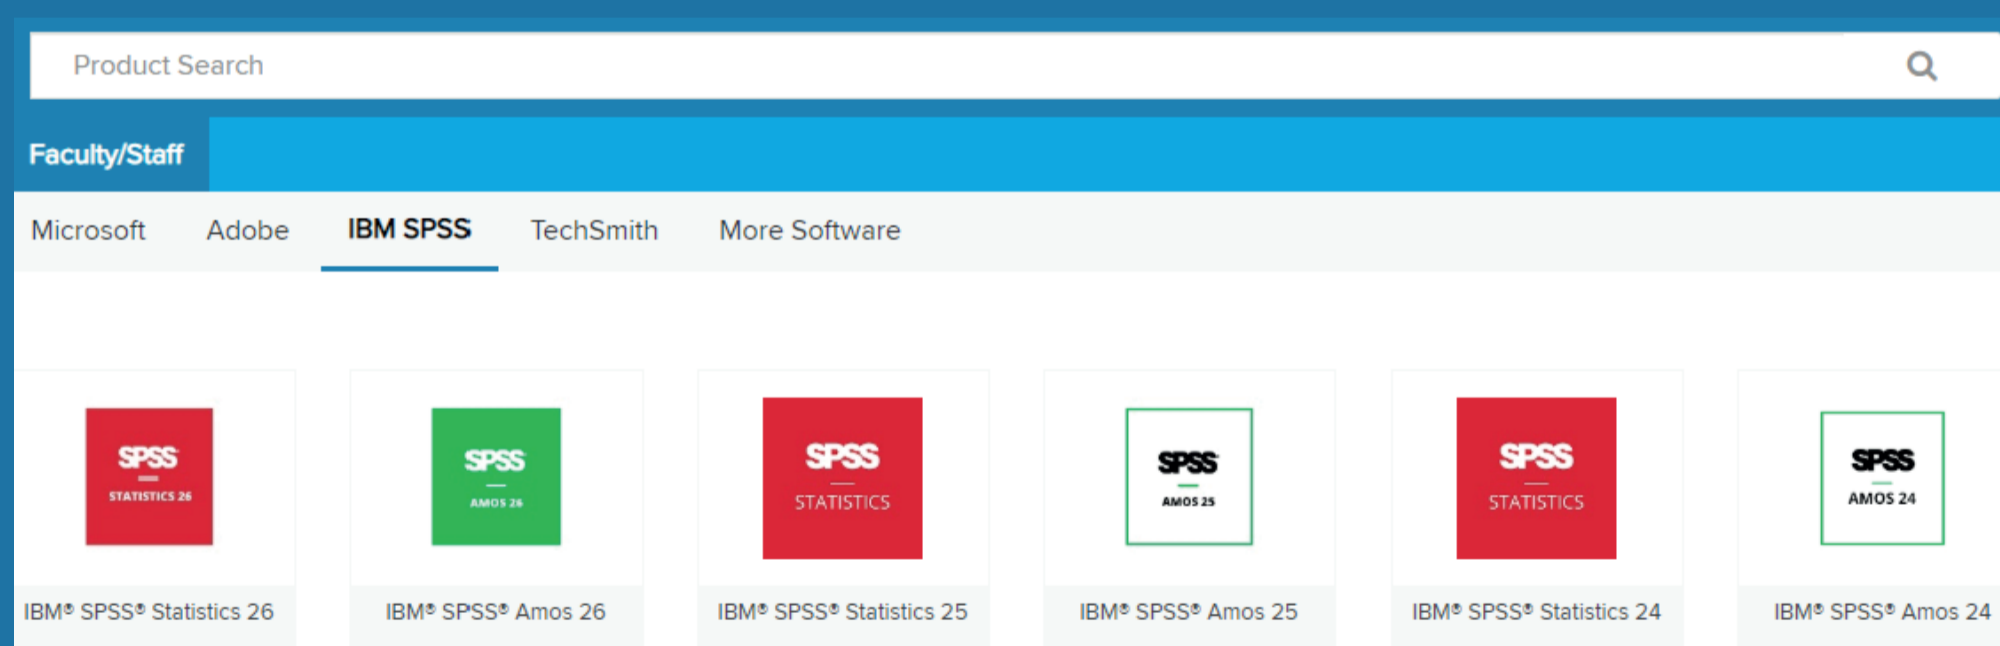

You will need to visit the **Software Webstore** to download SPSS.

Staff: Link is available under '**Applications**' on the staff page.

Students: Select '**Bookmarks**' on MyDay to find the link.

1. Click the **IBM SPSS** tab and then select the version you want to install. We recommend installing the latest version which is currently SPSS 26.

Mon - Fri, 09:00 - 17:00

2. Select which platform you want to install onto and then press **'Add to Cart'**. (Windows or Mac)

IBM® SPSS® Statistics 26 ▲

SPSS
STATISTICS 26

IBM SPSS Statistics is the world's leading statistical software used to solve business and research problems by means of ad-hoc analysis, hypothesis testing, and predictive analytics. Organizations use IBM SPSS Statistics to understand data, analyze trends, forecast and plan to validate assumptions and drive accurate conclusions.

Choose a platform:

Windows
Windows
Mac

IBM® SPSS® Statistics Standard 2

Available to: Associate Staff, Faculty/Staff, Faculty, Staff, Students

License Expiry: August 1, 2020

Add to Cart

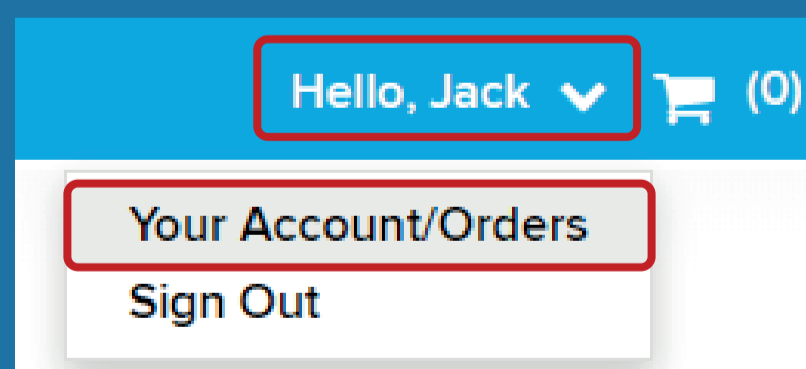

3. Select **'Check Out'** on the pop up that appears.

4. You'll be taken to a download page, here you will be provided with the license key. Please make a note of this or copy it to your clipboard.

5. Select **'Download'** to download SPSS to your machine - it is a large download so it can take some time.

6. Open the downloaded file and it should begin to install, keep clicking next through the installation wizard until it completes. Press **Finish** to launch the **License Authorisation Wizard**.

7. Enter the license key. If you need to find this again, you can find the key by clicking on your name then **Your Account/Orders**.
