

STUDYING AT HOME?

A quick guide to help you access course software from home

DOWNLOAD SOFTWARE FOR YOUR COURSE

We have created a single site where you can download software that is related to your course to your device. You can access this site through MyDay via the 'Student Software' tile. Or from this link:

<https://uniworcac.sharepoint.com/sites/studentsoftware>

REMOTE INTO LAB COMPUTERS

You can remote into Computer labs to access course-specific software and computer processing power from your device. Please follow our guide on the IT webpages:
