# **Cost of Living**

# **Tuition Fees and Everyday Expenses**

Tuition fees and living costs are the main areas to consider when allocating your finances, and working out a budget.

You need to remember that you will have to buy things you may have taken for granted at home (such as food and washing powder) and it's wise to think about all these issues when devising your budget.

#### This guide will give you an idea on the costs of living.

### Living costs in Worcester

The cost of living in Worcester is comparatively very reasonable. Rent and many other costs are lower than larger cities.

The proximity of our campuses and halls of residence to each other and to the city centre means that you shouldn't need to spend additional money on transportation if you are living locally.

If you are living further afield, you will need to factor travel (and parking) costs into your budget.

# **Covering Costs at University**

### **Home Student**

Most Home students can apply for a Tuition Fee Loan from Student Finance. The loan is paid directly to the University or College.

Home students can also apply for a Maintenance Loan from Student Finance to help with their living costs. Students with children may also be eligible for additional support from the Parent's Learning Allowance and Childcare Grant. <u>www.gov.uk/student-finance</u>

For Home students, your student loan, parental contribution (see page 6), part-time job and maybe scholarship or trust funds can help support you while you are at University.

# **Healthcare Students**

Students on a Nursing, Midwifery or Allied Health Professional course may be eligible for additional financial support from the NHS Learning Support fund. <u>www.nhsbsa.nhs.uk/nhs-learning-support-fund</u>

### **EU Students**

Financial support from Student Finance England will be available to eligible EU students if their course in England started in the 2020/2021 academic year or before, or they have settled or pre-settled status.

Eligible students with pre-settled status can receive a Tuition Fee Loan and students with settled status will receive the same funding as Home students. The support will be available for the duration of the course, provided the required residency criteria are met.

If you are self funding you will need to cover your costs with help from your family, part-time job or maybe bursaries / trust funds. <u>www.gov.uk/student-finance/eu-students</u>

# **International Students**

If you are an international student, you should ensure that you have enough funds to cover your tuition and living costs for the duration of your course before you apply for a visa.

If you cannot provide an official letter from a sponsor stating that they will cover all of your fees and living costs for the duration of your course, you must be able to prove that you have sufficient funds to be able to cover the cost of your course and your stay in the UK.

# **Parental Contribution**

The current student finance system uses your parents' income (if you are under 25 and live with them or depend on them financially) to determine how much money you get to live off while you're studying ie. your Maintenance Loan. This means it is means-tested.

The higher your parents' income, the lower your Maintenance Loan. The government therefore expects parents to cover the shortfall.

To help you work out how much your parents are expected to contribute MoneySavingExpert has developed a University Maintenance Contribution Ready Reckoner at:

#### www.moneysavingexpert.com/students/student-loan-parental-contribution-tool/

However, parents are sometimes not in the position, or not willing to contribute the expected amount to top up the Maintenance Loan, so you may need to source additional funds elsewhere.

See page 20 of this guide for ideas on how to boost your income and page 5 for ideas of other sources of income including:

- Part Time Jobs
- Educational Trust Funds

# What Do Students Spend Their Money On?

On this page you'll find the results of The Student Living Index Survey by NatWest. You can view the full results at:

#### https://www.natwest.com/life-moments/ students-and-graduates/student-livingindex.html

# **Student Living Index 2023**

This survey polled 3052 University Students living in the UK and ran between 11th May - 5th June 2023.

Students were asked about where their money came from and what they spent it on. The survey found that, other than rent, the top costs per month were:

Supermarket food shopping, toiletries & household items	£109.57
Eating out (inc. coffees, restaurant, etc)	£37.53
Transport whilst visiting home during term time	£36.67
Household bills	£34.48
Clothes, shoes & accessories	£33.78
Going out (inc. gigs, theatre, cinema, clubs but excluding alcohol)	£32.48
Alcohol (all consumed)	£30.96
Trips (weekends away, holidays, visiting friends)	£30.67
Takeaways (inc food deliveries and collection)	£28.80
Public transport day-to-day travel	£24.72
Car day-to-day travel (inc petrol, MOT, insurance)	£22.04
Self-care & wellbeing (gym, beauty etc)	£16.22
Mobile phone bills & related costs	£12.62
Books, course materials, printing, library costs etc	£9.75
Sports (equipment, subscriptions, fees)	£6.52
University societies and clubs	£6.02
Home entertainment (cable tv, on-demand streaming services)	£5.74

*Obviously costs differ across the country and between students, but they will give you an idea on costs you may incur and the importance of trying to stick to a budget.*

# **Accommodation Costs**

### Halls of Residence

Many first year students choose to live in halls of residence. In 2023/24 prices range from £122 to £207 per week. Most students pay for 39 weeks but those taking longer courses, such as nursing or teaching, pay for the length of the course.

Accommodation	Price per week
Traditional Hall	£122
Standard	£150
Standard Plus	£160
En-suite	£179
En-suite Extra	£196
En-suite Premium	£207
Postgrad Non En-suite	£167
Postgrad En-suite	£182

### University of Worcester Accommodation Fees for 2023/24

The charges for accommodation include, gas, electricity, water, free internet access, contents insurance and gym membership. All of the prices listed are for self-catered accommodation.

A damage deposit of £300 will be required in advance and you will be able to pay your accommodation fees in six instalments from October to March or three instalments in October, January and April. If you have any queries about making payments you should contact the University's Finance Office by emailing: creditcontrol@worc.ac.uk

www.worcester.ac.uk/life/accommodation/living-in-halls

# **University Managed House**

The University also manages a wide range of student shared properties just a short walk from either the St John's or City Campus. If you are allocated to one of these properties, the University will be your landlord, and will therefore be responsible for dealing with any maintenance issues. Free internet is provided. Gas, electric and water bills are included in the rent.

# **Private Rented Accommodation**

If you move to privately rented accommodation in your second year, you can expect to pay an average of £110-£150 per week for a room in a shared house, plus bills.

As a student off campus you still have access to the same facilities as students living on campus, including the support of the Accommodation Team and Student Experience Team to help you with any queries that might arise.

Please remember agreement lengths, deposit amounts and arrangements for paying bills vary from property to property. Take advice from the Accommodation Team if you are unsure about any of these important details.

#### Deposit

Your deposit will usually be equivalent to one month's rent, and around £300 is usually payable at the same time, to retain your room during the summer. You will need to pay both the deposit and your first month's rent in advance of moving into the property.

#### REMEMBER TO PUT MONEY ASIDE EARLY FOR THESE COSTS

The deposit is there to cover any damage you might do to the property, and landlords must protect it using one of the three Tenancy Deposit schemes: Deposit Protection Service, MyDeposits (including deposits that were held by Capita) and Tenancy Deposit Scheme.

If everything is ok when you move out, you will receive the whole deposit back, however, your landlord can deduct money from your deposit if there is damage to the property, unpaid rent, etc.

# Studentpad

The Accommodation Team hold a Housing Fair in January and following this they advertise all Worcester City Licenced properties on Studentpad. www.worcesterstudentpad.co.uk/Accommodation

The University's Accommodation Service can be contacted on 01905 855300 or email: accommodationteam@worc.ac.uk

# **Household Bills**

Household bills include energy bills for gas and electricity, water rates, TV licence and telephone and internet charges.

Check to see which bills are included in your rent - sometimes private landlords will cover the cost of bills too. Make sure you know what is and isn't covered when you choose your accommodation.

# **Guide to Costs - Gas & Electricity**

The average household's yearly gas and electricity bill, according to Ofgem is approximately  $\pm 2,074$  (July 2023). This obviously varies by the size of the house/flat.

### Reduce energy bills (and help the environment!)

- Turning the thermostat down by even 1°C can cut your heating bill significantly.
- When a room is empty, make sure that the lights are turned off.
- Close the curtains at night so you don't lose heat through the windows.
- Stop draughts from badly fitting windows and doors.
- Set your heating to come on around half an hour before you come home rather than leave it on all day while no one is in the house.
- Leaving your appliances on standby wastes energy. Make the effort and turn them off.
- Don't put the heating on if you don't have to. Warm jumpers can work too!
- Baths use more energy than showers as long as you're not spending 20 minutes in the shower.
- Use most economical household fuel provider where relevant.

# **TV Licence**

If you have a television at University then you must pay an annual TV Licence of £159 per year (@ April 2023)

You need to be covered by a TV Licence if you:

- watch or record any live TV online
- download or watch BBC programmes on BBC iPlayer live, catch up or on demand

This applies to any device and provider you use.

If you have a joint tenancy, several TVs are covered by one licence, so you can share the costs, but if you have a separate tenancy a licence is needed for each set.

If you go home for the summer holidays, you may be able to get a refund on your TV licence for the remaining months.

www.tvlicensing.co.uk

### Water

The average annual bill for household water & sewerage bills in England and Wales is £443 in 2023/24. If you have a water meter, you will be charged based on how much water you use. If not, you will pay a fixed amount each year.

# **Council Tax**

- Full-time students are exempt from Council Tax unless living with non-student adults. Exemption certificates can be printed from the student SOLE page.
- Where a student is sharing a house with a non-student adult the Council Tax bill for the household will be liable to a 25% reduction.

# Home Phone & Broadband

### Home Phone and Broadband

Most broadband connections will require a home phone line, but this is often included in the broadband package. Prices start from around £18/month for Standard broadband. Faster fibre-optic connections cost more, but may be more suitable if there are lots of people sharing one connection. Check out Money Saving Expert's tips on how to get cheap broadband at: <a href="http://www.moneysavingexpert.com/broadband-and-tv/cheap-broadband/">www.moneysavingexpert.com/broadband-and-tv/cheap-broadband/</a>

### **Mobile Phone**

Think about your mobile deal. It's easier to keep track of your spending on 'Pay-as-you-go', but things can really add up if you're making a lot of long calls, plus you'll probably have to buy the handset as well. It's normally cheapest to buy a package of minutes, texts and internet data each month. Check the different networks to get the best offer. If you get a contract with a 'free' phone, you'll pay for it with a higher monthly bill.

Shop around for the best deal, but read what you're signing carefully, and factor those monthly fees into your budget. Read the small print in mobile phone and internet contracts. Some can be expensive once the free offers have finished and costly to end the contract before the due date.

### **Reducing Phone Bills**

Skype works like an internet telephone service, letting you talk to other Skype users for free. It's easy to set up by downloading free software from the Skype website, but even if other people don't have Skype on their computers, you can still call their landline or mobiles at cheaper rates than normal.

Alternatives to Skype include WhatsApp, FaceTime, Facebook Messenger, Google Duo...

### **International Students**

if you need to call home often, you might save money using a network like Lebara which specialises in international calls. <u>www.lebara.co.uk</u>

Check out comparison sites for the best deals:

# **Food & Other Essentials**

It depends on what you buy, but an average shopping budget is about £25-£35 per week.

# **Shopping costs**

Try to avoid doing your grocery shopping in independent corner shops, which tend to be more expensive than supermarket chains. Prices can also vary considerably between supermarkets, for example every month "Which" compare how much the UK's biggest supermarkets charge for a trolley of groceries, from bread to toothpaste.

www.which.co.uk/reviews/supermarkets/article/supermarket-price-comparison

See below the average basket price of 38 items for July 2023:

Supermarket	Average Basket Price
Aldi	£71.22
Lidl	£72.60
Asda	£78.65
Tesco	£79.59
Sainsbury's	£81.06
Morrisons	£82.00
Ocado	£86.26
Waitrose	£87.24

# **Money Saving Tips**

- Try to avoid buying take-away food which is a lot more expensive than cooking your own or buying a pre-cooked meal from a supermarket. For example, a take-away pizza can cost between £8 and £23 but one from a supermarket can cost as little as £2 to £5.
- Making your own sandwiches can cost less than 50p a day but ready-made ones cost between £3 and £4.
- Buy supermarket own brands and check out reduced items usually available at the end of each day.
- Buy fruit and vegetables from a greengrocer or market.
- Avoid impulse buying and don't shop when you're hungry.

# **Travel Costs**

According to the Student Living Index 2023 (see page 7) students are spending the following average monthly costs on travel:

Car - Day-to-day travel - £22.04 Public Transport Day-to-day travel - £24.72 Transport whilst visiting home during term time - £36.67

# **Rail Travel**

Student Rail cards cost £30 a year or £70 for 3 years, and can save you up to a third off rail travel costs and are available to anyone between 16 and 25, and to full-time students aged 26 and over.

### www.16-25railcard.co.uk

Disabled persons' railcards entitle you to a third off most rail fares across Britain for you and a companion and currently cost £20 a year or £54 for three years.

www.disabledpersons-railcard.co.uk

# **Bus Travel**

Local First buses drop off outside the University and also pick up at the St John's Campus. Simply download the First Bus App and you'll be able to buy tickets on your phone any time of day. Weekly and monthly tickets also available. For further information visit www.firstbus.co.uk/

Disabled people fulfilling the relevant criteria are entitled to free bus passes for bus travel in the city of Worcester. For eligibility visit: <u>www.worcestershire.gov.uk</u>

# **National Express**

A Young Persons Coachcard is available to anyone aged 16 - 26 and to full-time students. It gives you 1/3 off all their Standard and Fully Flexible fares, £15 day return anywhere in the UK (Tues, Weds and Thurs) and 15% off travel to events and festivals, all for just £15 a year or £35 for three years.

www.nationalexpress.com/en/offers/coachcards/young-person

# **Car Parking Costs**

The majority of students do not need a car for most of their time at University. However, there are a limited number of car parking places and students can apply for a car parking permit to park on campus although you are not guaranteed a parking space if you purchase a permit.

#### The costs for 2023/24 are listed below:

**Peak Semester (under 1 mile) - £352 per semester, or £268 per semester for placement students.** For students resident in any University halls or managed accommodation across the city, or living within one mile of the St John's Campus.

**Peak Semester (over 1 mile)** - **£108 per semester.** For students living more than one mile from the St John's Campus, and not living in University halls or managed accommodation.

**Peak Annual Permit - £183 per annum.** For students living more than one mile from the St John's Campus, and not living in University halls or managed accommodation.

**Severn Campus Permit** - **£100 per annum.** For students parking at Severn Campus Mon-Fri, and other campuses outside the hours of 8am to 5pm Mon-Fri and anytime at weekends, bank holidays and during the months of July and August.

**Off Peak Permits - £43 per annum**. For students parking on university campuses outside the hours of 8am to 5pm Mon-Fri and anytime at weekends, bank holidays and during the months of July and August.

Apply online at: www.worcester.ac.uk/life/accommodation/car-parking-information.aspx

#### PARKING PERMITS ARE AVAILABLE FREE TO DISABLED STUDENTS.

# Cycling

If you wish to cycle to University or between campuses, then there is the University's Woo Bike Share scheme. The 60 bike fleet has 30 pedal bikes and 30 electric e-bikes. Students and staff join by paying a £45 annual membership via the online Woo Bikes system. For details visit: <u>www.worcester.ac.uk/about/sustainability/what-we-do/</u> <u>transport-and-travel/bike-share.aspx</u>

You can also buy affordable recondition bikes from the campus bike shop, located on St Johns Campus. Prices range from  $\pm 60$ , and there are free bike repair facilities next to the bike shop to help you easily maintain your own bike.

# **Study Costs**

# Books, printing and photocopying

There are day to day costs and expenditure for students on basic books, stationery, printing and photocopying and the amounts vary between courses.

You won't need to buy all the books on your reading list, just the core texts. Ask your tutor which are the most important ones. Remember the Library has an excellent collection of books.

Some can also be bought second hand from second year students, or on eBay or Amazon.

### Equipment

**Vital equipment and materials** - the University has excellent facilities, computer access for all students and your academic lecturers will let you know of the best place to buy any extra equipment.

### **Field Trips**

Attending compulsory field trips or placements – you might have to pay for transport and/or accommodation. There can be a fee for optional trips.

#### **Independent Study**

If your course includes producing an Independent Study in its final year then additional costs are likely to be incurred. These costs will depend very much on your course and the project you have chosen to undertake and you are advised to talk to your tutor about potential expenses.

#### Retakes

There is no charge for having a module REASSESSED but if it needs to be RETAKEN then the student will be charged the cost of the module by the University Finance Office. Tuition Fee Loans are not available through Student Finance England to pay for retakes.

# Healthcare Costs

# **Help with Healthcare Costs**

Students in full-time education who are under the age of 19 are automatically entitled to full help with health costs (except travel costs, in which case they can apply to the Low Income Scheme). Students aged 19 and over, entering higher education can apply to the NHS Low Income Scheme to see if they qualify for help (see below).

### **NHS Low Income Scheme**

The scheme covers:

- NHS prescriptions
- NHS dental treatment
- Eye care costs sight tests, glasses and contact lenses
- Travel costs to receive NHS treatment
- NHS wigs and fabric supports

To apply for help with any of the above costs you need to complete a HC1 Form. You will also need to supply information about your income and living costs.

#### www.nhsbsa.nhs.uk/nhs-low-income-scheme

You can also get the HC1 from Jobcentres, GP practices, pharmacies and Citizens Advice.

### NHS Prescription Costs (@April 2023)

- The current prescription charge is £9.65 per item
- A three monthly Prescription Pre-payment Certificate (PPC) is £31.25 and could save you money if you need 4 or more items in 3 months
- A 12 month certificate is £111.60 and could save you money if you need more than 12 items in a year

#### www.nhsbsa.nhs.uk/help-nhs-prescription-costs

#### NHS Dental Charges (@April 2023)

- Band 1 £25.80 This covers examinations, diagnosis (including X-rays), advice on how to prevent future problems, scale and polish if necessary and preventative care
- Band 2 £70.70 This covers everything listed in Band 1, plus any further treatment such as fillings, root canal work or if your dentist needs to take out one or more of your teeth
- Band 3 £306.80 This covers everything listed in Bands 1 and 2, plus crowns, dentures, bridges and other laboratory work

#### www.nhsbsa.nhs.uk/help-nhs-dental-costs

# **Socialising & Shopping**

### **Average Spend**

The Student Living Index (see page 7) showed that Students, on average, spent per month:

- £33.78 on clothes, shoes & accessories
- £37.53 on eating out (inc. coffees, restaurants etc)
- £30.96 on alcohol
- £28.80 on takeaways
- £32.48 on going out (inc. gigs, cinema, theatre, clubs etc)

### Shopping

- Keep track of your spending patterns, little things like coffee, fast food, downloads, Spotify and so on can soon add up.
- Sign up for reward cards in your most frequent shops for savings & bonuses.
- Shop in Charity Shops, or wait for the Sales it'll save you fff's.

# **Help With Budgeting**

It is important to monitor your spending in order to ensure that you have enough money for essentials like rent and fuel bills and to prevent overspending.

Try using the Money Advice online Student Budgeting Calculator to help you see whether you need to cut your spending on non-essential items and/or increase your income. www2.worc.ac.uk/moneyadvice/online-resources.html

### **Budgeting Tips**

- Ensure that your budget includes extra or irregular expenses such as birthdays, Christmas, car maintenance etc.
- Once you have put together a budget, make sure that you stick to it.
- Prevent overspending by using cash rather than debit cards.
- Avoid using credit cards, storecards etc. which charge interest.
- Do not use credit as a source of income the idea of a budget is to spend within your means.
- Don't use PayDay loans because the interest rates are notoriously high, and the debt can mount up very quickly.
- Get household and other goods for free by enrolling with your local Freecycle scheme, for more information visit <u>www.freecycle.org</u>
- Get items repaired at your local Repair Café instead of throwing them away better for your pocket & the environment. <u>https://repaircafe.org/en</u>
- Don't expect to be able to afford as many luxuries as you did before you became a student e.g. Sky TV, foreign holidays, gym membership

#### **Boost Your Income**

- Get a Part-time Job whilst you are at University, at least in your first and second year.
- Sell unwanted items on sites such as eBay, Gumtree or Facebook.
- Sell unwanted cds, dvds and games through sites such as CEX, Ziffit or Music Magpie.
- Use cashback sites when shopping online.
- Make money online find tips at: <u>www.moneysavingexpert.com/family/make-money-online</u>

If you are struggling financially you can contact the University's Money Advisers for advice through firstpoint on 01905 542551 or by email at: <u>firstpoint@worc.ac.uk</u>

# **Dealing With Debts**

Don't Ignore Debts - if you are experiencing problems paying a bill, don't ignore it - get in touch with the creditor. You may be able to negotiate smaller payments.

# **Priority Debts**

Priority Debts include Rent, Council Tax, Utilities (Gas, Electricity and Water) etc. It is important to remember that when making payments, Priority Debts come first.

# **Non Priority Debts**

Non Priority Debts include credit cards, catalogue debts, loans, store cards etc. These can be dealt with by seeking debt management assistance from free agencies - see below.

# **Free Debt Advice Agencies**

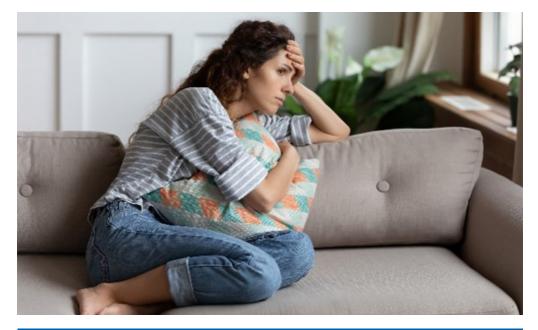

Citizens Advice Bureau <u>www.citizensadvice.org.uk</u>

National Debtline <u>www.nationaldebtline.org</u>

StepChange <u>www.stepchange.org</u>

# Never pay for Debt Advice!

There are several companies who offer FREE advice and support. However, watch out for the companies who offer free advice, but charge you high fees for setting up and administering your debt management plan.

If you are struggling financially you can contact the University's Money Advisers for advice through firstpoint on 01905 542551 or by email at: <u>firstpoint@worc.ac.uk</u>

# **Useful Resources**

Knowing that your finances are under control will allow you to relax and enjoy your time at University.

#### The following resources are available to help you:

**Budget Sheet:** Using a budget sheet will help you to see where you can cut your spending on non-essential items, and whether you need to increase your income.

**Spending Log:** Use this log to record and monitor your spending and to help you identify any spending pattern that you would like to change.

**Sharing Household Bills:** Some useful tips and practical solutions to help you and your housemates organise and pay your household bills, in a way that is fair to everyone involved.

These resources are available to download from the Money Advice webpage at: <a href="http://www2.worc.ac.uk/moneyadvice/online-resources">www2.worc.ac.uk/moneyadvice/online-resources</a>

**Online Budgeting Calculator:** You can also find an online calculator on the same webpage to help balance your budget. Just input all your income and expenditure and it works out your weekly budget.
