## How to find your Timetable

1. Log on to your MyDay page, using your university username and password and click the SOLE tile:

2. This will bring you to your SOLE homepage – click the + button to bring up a drop down of other pages. Select 'Course Information':

3. This will bring up a page detailing course information – in the 'Module Information' box on the right-hand side, you will see an option called 'View Timetable', followed by your name. Select this:

4. This will direct you to a system called 'My Timetable', where your personal timetables are hosted. It may ask you to log in – please use your university username and password for this, it is the same as your username and password for SOLE and MyDay:

5. Once you have logged in, your timetable may appear blank – please ensure that the current week you have selected is within term time, when teaching would be held e.g., the first week of teaching is usually the last week in September.

**Please note** – Timetables are subject to change and will be updated on a regular basis. We recommend checking your timetable at least once a week to view any changes and to ensure that you have the most up-to-date information for scheduling. Changes are likely to happen throughout the year.

If you have any questions, please contact studenttimetabling@worc.ac.uk .
